### Why Sponsor Us?

“Brands, like football clubs, love loyal tribes – and our tribe has a real family feel. Brands who value relevance and belonging within a community, can see young lives transformed through the power of sport – can really get no better return on investment than sponsorship”

### Steve Hull, Chairman Cove Football and Social

“We encourage the playing of organised football for children of all levels of ability, within the under 6 to under 21 age groups. With are over 300 players Cove FC becomes a busy hub for families, not just on match days, but during the weekday training sessions too.

Our ethos is simple – “football is fun for both the players and supporters”

### Mark Endacott, Chairman Cove Football and Social
